Terahertz Mega Energy Device

Scientific Wellness, Sustaining Health.

One Cell Activation, Boosting Energy

Two Enhancing Microcirculation, Metabolism

Three Clearing Meridians

Four Eliminating Cold Dampness, Internal Toxins

Five Fat Burning and Shaping

Six Easing Inflammation, Pain, Fatigue

Applying the principle of resonance between Terahertz waves and human cells, it releases precise Terahertz waves ranging from 8 to 1000um. Similar to a charger for human cells, it starts from the soles of the feet and spreads throughout the body, replenishing the body with bioenergy and promoting overall internal and external wellness.

The journey to health begins at your feet.

Benefits of Terahertz Wave Energy

- ✓ Enhances microcirculation, improves facial lymphatic detoxification, and boosts metabolism.
- ✓ Regulates bodily functions and stimulates cellular capabilities.
- ✓ Generates internal heat for fat burning, improves obesity conditions, and eliminates impurities.
- ✓ Alleviates various joint discomforts and relieves muscle fatigue.
- ✓ Firms the skin, delays aging, and smoothens wrinkles.

Usage Restrictions

✗ Individuals with cardiac stents

✗ During menstruation

✗ Those with heart conditions

✗ Pregnant individuals

✗ Infants and young children

⌚ Each session should not exceed 30 mins

- Same individual should not exceed **2 sessions per day**, with a **4-hour** interval between sessions.
- Using it for **30 minutes** is equivalent to **2-4 hours** of aerobic exercise.

Massage your feet before bedtime for better sleep quality.

Using it for 20-30 minutes before sleep yields better results.

Other brand

Compact Spacing

The knees easily touch during use, leading to excessive heat and causing physical discomfort.

Energy Panel Corroded Easily

Regular stainless steel easily shows signs of use.

No Overheat Protection

Short machine lifespan and prone to malfunctions.

Lightweight & Non-Premium

The machine is prone to noise.

Limited Functionality

No rotary magnetic therapy function.

Wired Remote Control

Only intensity levels can be adjusted.

AIIONIC LIFE Upgraded new features

Golden Ratio Spacing

Placing your feet more comfortably and freely.

Energy Panel Enhancement

Made of 304 food-grade stainless steel, with a chrome-plated surface to enhance corrosion resistance and prevent staining.

Dual Overheat Protection

Supports long-term use and extends the lifespan of the machine.

Heavier & More Textured

Streamlined appearance.

Function Enhancement

Rotating magnetic therapy:
A blessing for diabetes patients.

Smart remote control

All operations can be done using the remote control.

The Thermodynamic Device is suitable for various types of pain, inflammation, and cold-damp constitution. It has a significant effect on enhancing the immunity of the elderly and is suitable for the use of the elderly with multiple chronic diseases.

The device provides a strong sensory experience, with a sensation of sub-high temperature generated by the resonance between the device and the human body in just one second. After a week of customer experience, conditions such as arthritis and other types of pain have shown significant relief.
