AiiVision Ampoule Essence - Your Reliable Eye Care Companion.

Eyes are known to be the prime of the five senses.

The eyes are the most important organ of the human senses, and about 80% of the knowledge in the brain is acquired through the eyes. Vision loss has a significant impact in affecting one's quality of life, independence, and mobility. Our eyes blinking 21,024,000 second in a year, have you ever cared about your eyes?

Five Key Ingredients from Germany

The immune system will automatically repair itself when the eyes receive sufficient nutrition.

Whitening, Antioxidant, Fading
Pigmentation, Improving:
Vitreous Body Turbidity

Hamamelis Virginiana (Witch Hazel)

Restore and
Nourishing Eyes

Centaurea Cyanus

Antibacterial, Anti-inflammatory,
Detoxifying, Soothing.

Lutein

Supplement Essential Nutrients for the Eyes,
Filter Harmful substances, Protect against
Blue Light, Ultraviolet Rays, and Eye Diseases.

Two Core German Technologies

The Micro Molecular Activation

It's as small as one ten-thousandth of a hair.
Rapid dredge the capillaries.

The Cutting Targeted Repair Technology

Reversible regeneration of damaged cells,
with targeted solution to problems.

Relieve 20 Types of Eye Problems in 5 minutes!

Through transdermal absorption, this process is painless and traceless. It affectively softens and clears fine capillaries, promoting blood circulation. It helps expel decades if accumulated toxins and stagnant blood while replenishing essential nutrients needed for the eyes. Instantly, the eye appear clean and bright, as if enlarged by a circle.

10 minutes to tighten eye bags

Diminish fine lines and delay aging
to restore to the best youthful state

Suitable for: Students, office workers, the elderly, suffering from visual fatigue, dry eyes, eye discomfort, damage cause by electronic blue light etc. (6-100 years old) can be used in long term.

Usage: Apply with the clean hand, close your eyes and relax for 5 minutes, 2-3 times a day, replenish every 4 hours.

Precautions:

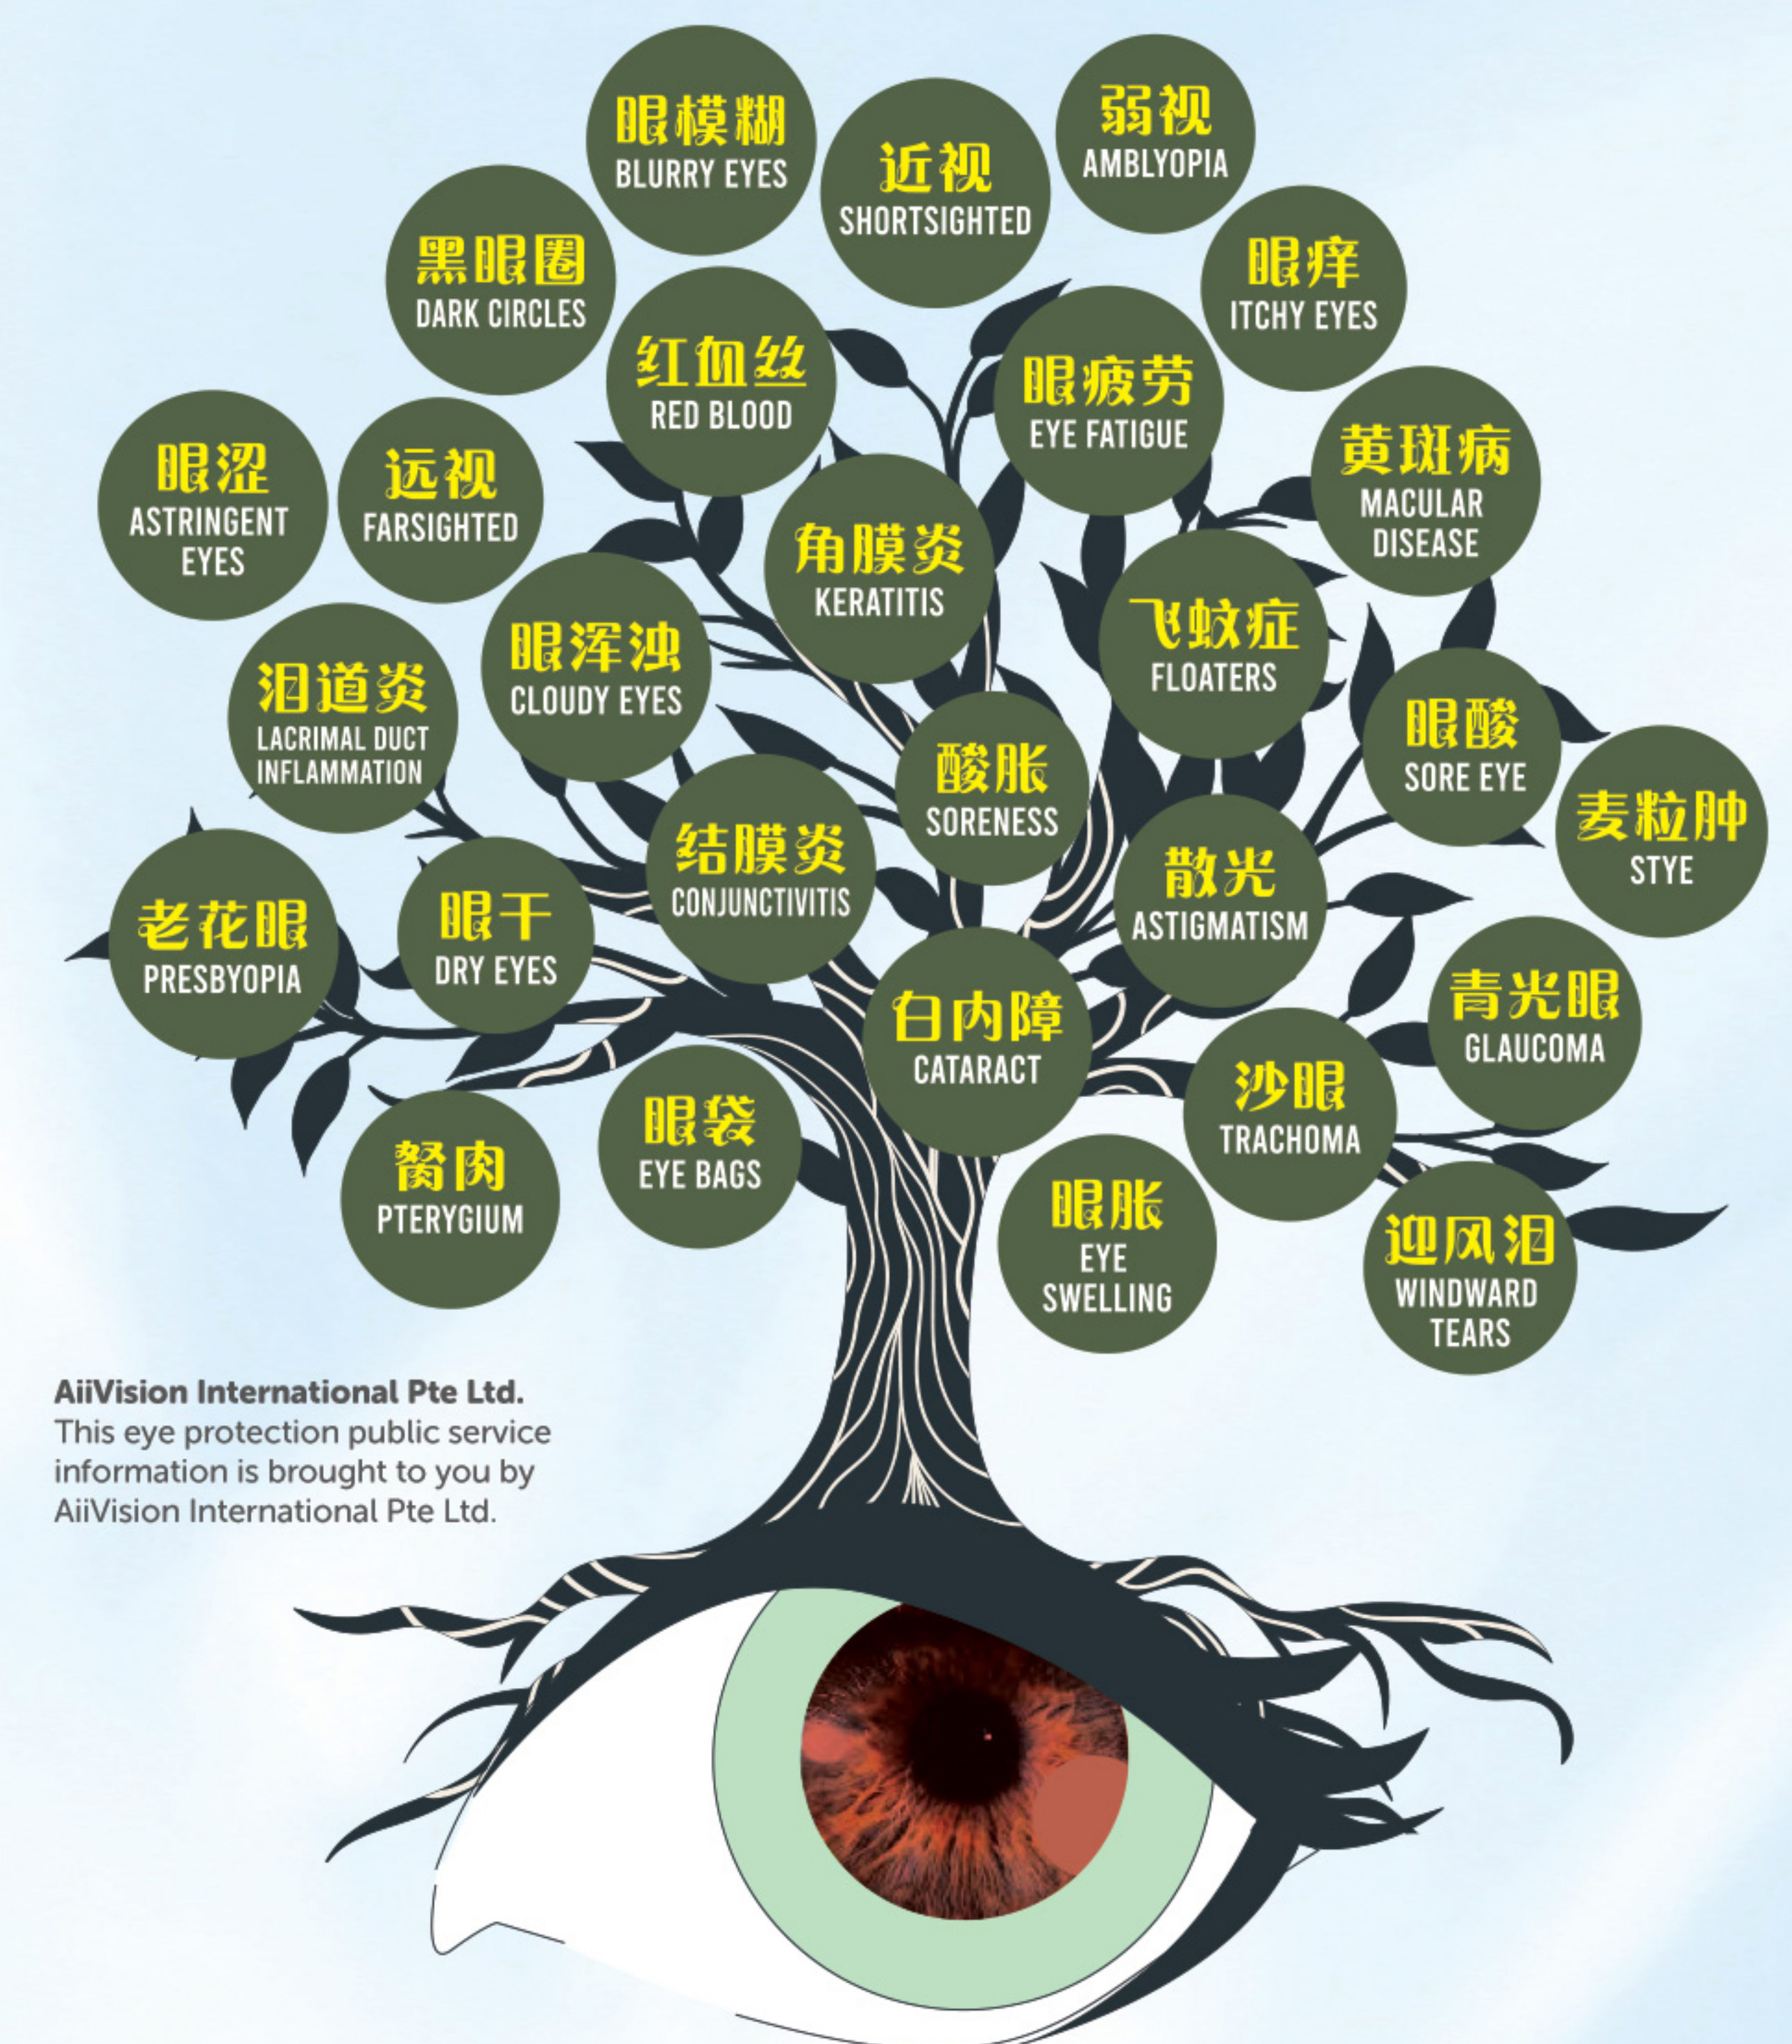

- If you are wearing contact lenses, you need to take them off before use. If you have thyroid or congenital conjunctivitis (please consult your doctor prior to usage).
- If your eyes are very red and inflamed before the first experience, apply 1 drop and observe for 5 minutes before adding the second drop.
- If your eyes become redder after use, it may indicate the original blockage previosuly was severe. Take a break for a few days and reapply with the small amount.
- Post-use sensation: Slightly itchy/dryness, slight stinging/damage, which will subside in a few seconds.

Proof without explanation.

See it, Feel it, Sense it (look in the mirror and you'll know)

Common eye diseases

What is more important than
our eyes beside our life?

Youthful Eyes, Youthful Charm.
